6 Event Tracks

1. AI, ML and Open-Source

Explore AI, ML, Open-Source, and Data Science with a key focus on ethics in technology.

2. Cloud, IoT & Cyber Security

Deep dive into exploring Cloud and IoT with our dynamic keynotes, panels and hands-on sessions.

3. Executive

Enrich your leadership qualities with tailor-made sessions on strategic management, diversity, and innovation.

4. Media

Explore the expansive role of media in technology, adept storytelling, and compelling narrative creation.

5. Tech for Social Good

Discover the power of technology to change social narratives and implement impactful reforms.

6. Scholarship & Poster

Scholarships and Poster track includes sessions by individuals and groups that provide in-depth explorations of DE&I topics using pictures and imagery.

Beyond the Conference Experiences at GHCI 24

- **Classroom** - The Classroom space is dedicated to fostering the next generation of tech talent. It aims to provide insights into cutting-edge research methodologies, effective learning strategies, and practical skill-building techniques.
- **Innovation Showcase Lounge** - Along with a speaker stage, the lounge is an interactive space which will feature advance solutions and groundbreaking ideas from startups and mid-sized businesses. Discover the latest trends, network with industry leaders, and explore the potential of emerging technologies.
- **Zen Zone (Oasis of Relaxation)**: Escape the hustle and bustle and immerse yourself in the Zen Zone to unwind with breathing, meditation, reflective writing and more to refresh your mind.
- **Sustainability Initiatives**: Our unwavering commitment to sustainable practices ensures we eliminate plastics and adopt eco-friendly practices to minimize environmental challenges.
- **Career Fair**: Connect with top tech companies, recruiters, and industry professionals offering career guidance and job placements.

- **Expo Hall:** Explore cutting-edge technologies showcased by leading organizations across industries.
- **Book Nook:** A corner to explore literature on technology, leadership, and personal growth.
- **Unconference Area :** A space for interdisciplinary learning, featuring conversations on sustainability, entrepreneurship, leadership, art, and technology. Relax, enjoy poetry, music, stories and interactive performances; leave inspired by voices shaping inclusion, innovation, and creativity.
- **Art Nook:** The Art Nook features inclusive art installations, , and community art projects, immersing you in creativity and connection with 'me+we' at the heart of it all.

- **Short Film Festival:** A curated selection of films focusing on technology, innovation, and human impact.
- **Pride March:** Join us in a colorful, empowering walk to celebrate, uplift, and stand in solidarity with the LGBTQIA+ community.
- **Accessibility Features:** Demonstrations of the latest assistive technologies and sessions on inclusive design.
- **Ecosystem Partners:** Collaborate with organizations driving positive change in the tech ecosystem.

Hotels & Accommodation

Suggested nearby hotels

- Taj Yeshwantpur
- Golden Palms & Resorts
- Holiday Inn Express
- Sheraton Grand
- Gokulam Grand
- Fairfield by Marriott
- Hyatt Centric, Hebbal
- Hilton Garden

Dining Options at the Venue

In addition to tea, coffee, and simple vegetarian/non-vegetarian meals, the following options will also be available:

- Coca-Cola
- KFC
- Amritsari Junction
- Mumbai Street Food
- Pizza Hut
- Kamat Foods
- Dunkin Donuts

Parking

On-site parking is available at the venue. There will be parking attendants assigned to assist in directing you for a smooth parking experience. Please follow their guidance upon arrival.

Accessibility

The venue is fully wheelchair accessible. A dedicated registration counter is available for attendees requiring assistance, and accessible port-a-potties are located throughout the venue.

Sustainability & Waste Collection

We are committed to creating a plastic-free, environmental conscious event. Please dispose of waste responsibly. We have partnered with Hasiru Dala, an organization that provides organic waste management services.

For partners who want their trash to be managed, please let us know and we will ensure that we connect you to the right team for disposal or retrieval of recyclable waste.

Hydration Zone & Medical Support

Hydration zones in collaboration with UKG are set up throughout the venue to keep you replenished during the event. Dedicated medical counters and an ambulance will also be available to handle health and medical emergencies to ensure attendee safety.

Daycare Zone

Klay has joined us as our Parenting Partner and they will be setting up a daycare zone at GHCI 24! This dedicated, safe, and enriching space, led by Klay's experienced staff, allows working parents to focus on the event, knowing their children are engaged and well cared for.

Additional Amenities

Lactation Room: A private, comfortable area will be available for nursing mothers.

Program Guide
